

Construct a Superior Security System

We Build it Better

When beginning a new project, construct a superior security system. Sonitrol is your single source for a full range of security products, and our sales, installation, service, and monitoring professionals are always on call.

Dependability

We have served the construction industry for over 40 years.

- Sonitrol is one of the nation's largest security providers.
- Get strong local support with our regionalized management teams.
- We have the national and local resources to get the job done right.

Scalability

Solutions are completely integrated and scalable.

- Sonitrol gives contractors and building owners the flexibility to make changes as needed.
- Easily and inexpensively add security services at any point in time.

Commitment to Service

Sonitrol will meet and exceed your expectations

- We install systems on your schedule, not ours.
- Our performance guarantees protect your investment, allowing you to concentrate on the job at hand.

Audio intrusion detection, managed access control, video surveillance, fire detection, 24/7 monitoring... no matter what your needs are, Sonitrol has it covered.

The Leader in Verified Electronic Security

- Verified Audio Intrusion
- Managed Access Control
- Video Surveillance
- Fire Detection

Key Statistics:

- Police response time can be up to 60 minutes
- The average response time drops to 7 minutes with Sonitrol's security systems
- Sonitrol has assisted law enforcement in apprehending 155,000 criminals to date

Why the Construction Industry Chooses Sonitrol

- **Industry Expertise** – You need someone you can trust to get the job done right — on time and on budget. Sonitrol has worked with the construction industry for over 40 years, and we understand demanding schedules.
- **Innovative Technology** – Sonitrol's state-of-the-art audio detection technology is superior to anything on the market today. Complimented with video, fire protection, and managed access control, Sonitrol can offer a full suite of security protection.
- **Proven results** – No one can match Sonitrol's results; the numbers speak for themselves. Criminals apprehended: 155,000 and climbing.

Sonitrol Performance Guarantee

No other security provider will match Sonitrol's Performance Guarantee:

- **\$5,000 Performance Warranty** – Sonitrol will pay for the first \$5,000 of any loss if a forced entry is not detected and the proper authority is not notified.
- **Unconditional Satisfaction Guarantee** – Sonitrol will refund your installation fee and remove our equipment if your system fails to perform as contracted and you are dissatisfied with our service within three (3) months of initial installation.
- **False Alarm Fine Guarantee** – If you receive a false alarm fine dispatched by Sonitrol and not caused by your personnel, Sonitrol will assist in canceling the fee or credit your account for the fine.
- **Emergency Service Guarantee** – Within our service area, Sonitrol guarantees the on-site arrival of a service technician within four (4) hours from the time of your request.

One Simple Log-In

Anywhere, anytime access to all of your key security functions – all from a standard web browser. Just type in *mySonitrol.com*, and you can monitor all of your connected facilities.

- **Intrusion Detection** – View alarm messages and statistics specific to your burglary system.
- **Online Access Control** – Manage your users and their permissions or view your access control configuration.
- **Video** – Access live video feeds from any web browser or receive video clips via email.
- **Fire** – Review alarm history and key parameters specific to your fire system.
- **Real-time Reporting** – Get reports when you want them or scheduled to run automatically.

"Sonitrol really delivered. Having a single source for all of our security needs really simplified our process. And they did the job on time and under budget; that's critical on a construction site." - Construction Project Manager

Sonitrol Services

Verified Audio Detection

Sonitrol detects the intrusion early and can often prevent break-ins before they occur

SonaVision Video Surveillance

Stop break-ins by leveraging the power of video surveillance to see criminal activities

Managed Access Control

Stop re-keying locks – take control of who accesses your location

Fire Detection

Around the clock monitoring of smoke and heat detectors, sprinkler systems, and pull stations
